

THE ARMED FORCES COVENANT BENEFITS YOU!

The Covenant aims to ensure that soldiers and families are not disadvantaged in the supply of goods and services;

Here's a few examples:

- No penalty to cancel mobile phone contract when posted overseas;
- Being able to obtain financial advice tailored to your needs;
- Being able to let your private property when posted without having to switch to a buy-to-let mortgage;

To find out more about how the Covenant can benefit you, see <https://www.armedforcescovenant.gov.uk/>; and If you feel the Covenant isn't delivering for you tell your Unit Covenant Champion, via welfare staff.
