

The Role of a VALOUR Field Officer (VFO)

VFO – Craig Nicholson - North East England - My Background.

How I See the VFO Role

The VFO role in practice

VISIBLE

Face of VALOUR across the Northeast

CONNECTED

Partnership working; no siloed delivery

INFORMED

Granular understanding of local support

INTELLIGENCE

Regional insight into national learning

The link between national ambition and local delivery

Why This Role Matters to Me:

“This is not just a job role for me. It’s my chance to give something back that is personal and meaningful.”
